
Specializing in Individual, Small Business, Non-profits, Estate & Trusts**NEW CLIENT****2023 Income Personal Tax Return Engagement Letter & Privacy Notification**

Client Name(s): _____ (You)

Metzger Tax Service LLC (We) are pleased to confirm our understanding of the arrangements for your personal income tax return(s). This letter confirms the services you have asked our firm to perform and the terms under which we have agreed to do that work. Please read this letter carefully because it is important to both our firm and to you that you understand what you can and cannot expect from our services. If you are confused at all by this letter or believe we have misunderstood what you need, please discuss this letter with us before you sign it.

The Internal Revenue Service imposes penalties on taxpayers, and licensed preparers, for failure to observe due care in reporting for income tax returns. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom we prepare tax returns to confirm the following arrangements.

We are responsible for preparing only your 2023 tax filings from information you furnish us. We will prepare your Federal, State, and local returns as required based on data within W-2's, 1099's, and/or K-1's that you provide to us. We do not prepare any applicable sales tax, art tax, and non-sole proprietorship business tax filings. If you need assistance in other tax filings, we can discuss and agree to terms in a separate Engagement agreement. If you have taxable activity in any other jurisdictions, you are responsible for providing our firm with written information necessary to prepare any additional applicable state(s) or local income tax returns.

We will **not** audit, review, compile or otherwise verify the data you submit although we may ask you to clarify some of the information.

It is your responsibility to maintain, in your records, the documentation necessary to support the data used in preparing your tax returns, including but not limited to the auto, travel, entertainment, and related expenses and the required documents to support charitable contributions. If you have any questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before signing and mailing or instructing us to electronically file your returns with the tax authorities. **We are not responsible for the disallowance of doubtful deductions or inadequately supported documentation, nor for resulting taxes, penalties, and interest.** We will rely, without further verification, upon information you provide to us from third parties including, but not limited to W-2's, K-1's, 1099's, 1098's, 1095's and receipts and similar items. **We are required to obtain a copy of Form W-2, 1099's and 1095 before we are allowed to file your returns.**

Please note that any person or entity subject to the jurisdiction of the United States (includes individuals, corporations, partnerships, trusts, and estates) having a financial interest in, or signature or other authority over, bank accounts, securities, or other financial accounts having an aggregate value exceeding \$10,000 in a foreign country, shall report such a relationship. Although there are some limited exceptions, filing requirements also apply to taxpayers who have direct or indirect control over a foreign or domestic entity with foreign financial accounts, even if the taxpayer does not have foreign account(s). Failure to disclose the required information to the U.S. Department of the Treasury may result in substantial civil and/or criminal penalties. Such disclosure includes filing Form 8938 with this Form 1040. If you do not provide our firm with information regarding any interest you may have in a foreign account, we will not be able to prepare any of the required Income Tax related forms, and penalties may be due, for which we have no responsibility. In the absence of such information being provided we will presume you do not have any foreign assets or financial interests and will not file any applicable disclosure forms without separate written authorization.

If you and/or your entity have a financial interest in any foreign accounts, you may also be responsible for filing Form FinCen 114 required by the U.S. Department of the Treasury on or before April 15th of each tax year. US citizens are required to report worldwide income on their US tax return. We will not be responsible for preparing Form FinCen 114 if we do not acknowledge written instructions from you.

Internal Revenue Service, under IRC §6038 and §6046, requires information reporting if you are an officer, director, or shareholder with respect to certain foreign corporations, foreign-owned U.S. corporation or foreign corporation engaged in a U.S. trade or business or U.S. transferor of property to a foreign corporation. By your signature below, you accept responsibility for informing us, in writing, if you believe that you fall into one of the above categories and you agree to provide us with the information necessary to prepare the appropriate forms. We assume no liability for penalties associated with the failure to file or untimely filing of any of these matters.

You acknowledge that you have reported all 2023 income you received including barter, consumer-to-consumer activity, cash-based income, and all other income whether received in-person, in-kind, or electronically. You also confirm that you have or will timely file any applicable required Forms W-2 and W-3 with the Social Security Administration and IRS for business employees or home-workers.

Crypto currency: Congress and the IRS are very aggressively pursuing cryptocurrency activity, reporting and tax situations. Failure to report cryptocurrency activity of any type, including sales, staking, mining, lending, NFT activity, trades and other activities must be reported on your return. Cryptocurrency activity may require reporting on tax returns filed with other countries. We have not determined if such returns are due nor have we been hired to determine filing requirements or file any tax returns for foreign countries. By signing the Engagement Letter, you acknowledge that you have reported all cryptocurrency activity in writing to us.

We will use our professional judgment in preparing your returns. Whenever we are aware that a possible applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. We will adopt whatever position you request on your return so long as it is consistent with the codes, regulations, and interpretations that have been promulgated. If the Internal Revenue Service should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for any such additional penalties or assessments.

Special privacy laws were established by the IRS prohibiting us from providing confidential copies of information to anyone other than you without your specific, written authorization. Please expect to provide that written authorization before we can release any of your confidential information.

If we are asked to disclose any privileged communication, unless we are required to disclose the communication by law, we will not provide such disclosure until you have had an opportunity to argue that the communication is privileged. You agree to pay any and all reasonable expenses that we incur, including legal fees, which are a result of attempts to protect any communication as privileged. In addition, your confidentiality privilege can be inadvertently waived if you discuss the contents of any privileged communication with a third party, such as a lending institution, a friend, or a business associate. We recommend that you contact us before releasing information to a third party.

It is our policy to keep records related to this engagement for three years after which they may be destroyed. However, we do not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect them for possible future use, including potential examination by any government or regulatory agencies. We recommend that you keep these records for at least **seven** years.

While we will use our best efforts to keep such communications secure in accordance with our obligations under applicable laws and professional standards, you recognize and accept that we have no control over the unauthorized interception of these communications once they have been sent and consent to our use of these devices during this engagement. Please provide us with a secure email address and secured voice mail message system.

From time to time during our relationship, you may seek our advice regarding potential investments. We are not investment advisors. Accordingly, we suggest that you seek the advice of qualified investment advisors appropriate to each investment being considered.

We **CANNOT** file tax extensions for you unless you sign this engagement agreement. **An extension is an extension of time to file, NOT AN EXTENSION OF TIME TO PAY.** You should include an estimate of any balance due with the extension or **penalties and interest** will be charged until your payments are received by the IRS and State(s). We must receive your information by April 1 to complete your extension. If your business is on extension, your personal return will be on extension as well.

FEES ARE DUE AT THE TIME YOU PICK UP YOUR RETURN OR WITHIN 30 DAYS OF COMPLETION, WHICHEVER IS EARLIER. Tax returns will not be electronically filed or released until payment in full has been made. The individual signing this agreement will be liable for our fee. Should an account not be paid in full at the time of pick up, to the extent permitted by state law, interest and/or a service charge may be added to all accounts not paid within thirty (30) days. If you are delinquent in payment, your account may be subjected to collection actions and you will become additionally responsible for collection, legal, administrative, court and any other fees incurred by us in collecting your delinquent account.

Both parties agree that there is a one-year limitation period to bring a claim against the Tax Firm for errors and omissions.
